Central Valley Regional Water Quality Control Board (Central Valley Water Board) staff has been notified that the Sacramento County Water Agency has been issued a Notice of Applicability implementing regulatory coverage under the Statewide Drinking Water System Discharge Permit, State Water Board Order 2014-0194-DWQ, with an effective date of 9 June 2017. Your submittal package and Notice of Intent for the Statewide Drinking Water System Discharge Permit serves as a request for termination of coverage under Central Valley Water Board's Low Threat General Waste Discharge Requirements Order R5-2013-0074.

Except for purposes of enforcement, coverage under Low Threat General Order R5-2013-0074-075 (WDID No. 5A34NP00070) is hereby terminated as of 9 June 2017 through this letter. Please note that you must still submit your last quarterly monitoring report required under the Low Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.
